Notes	Type

FEATURES & SPECIFICATIONS

Applications

Ideal for parking garages and other covered settings.

Construction

The Housing is a fabricated body constructed of extruded aluminum and welded seam to insure smooth construction. Mitered corners insure weather proof integrity. The door frame is constructed of extruded aluminum also with mitered corners.

Finish

Durable polyester powder coat paint. Comes standard with white finish.

Optical System

Fixture comes with flat glass, prismatic flat lens or drop lens with Type V (5) full-spec aluminum reflector.

Ballast

Metal halide and high pressure sodium ballasts available in a range of wattages listed below.

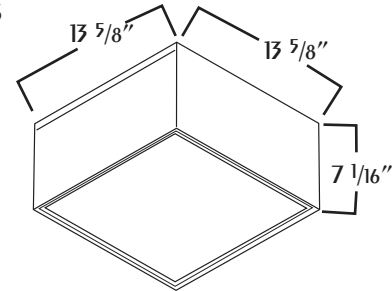

Warranty

5 year warranty on the fixture and finish, one year on the ballast and 90 days on the lamps.
