DESIGN

The SRF Flood Light is a compact Mercury Vapor light ideal for site, landscape, and general security lighting. Designed specifically for lighting small trees with medium canopies. A number of shielding options are available for customized effects.

ACCESSORIES

SHIELDS

TECHNICAL INFORMATION

Constructed of die cast aluminum, it comes standard with a 1/2" threaded knuckle mount and 4KV pulse rated medium base socket. Light sources are available in 50W-100W Mercury Vapor. The fixture is finished with a durable polyester powdercoat paint.

SRF BRASS SERIES

Brass Small Rectangular Flood

DESIGN

The SRF Flood Light is a compact Mercury Vapor light ideal for site, landscape, and general security lighting. Designed specifically for lighting small trees with medium canopies. The brass housing makes this fixture ideal for harsh or coastal environments. A number of shielding options are available for customized effects.
