Please contact your Techlight Sales Representative for pricing

(A) Color

BZ = Bronze

BK = Black

WH = White

Additional color options are available, but must be custom manufactured. Consult your Techlight Sales Representative for additional information.

Notes:

1 - Base covers for Square Tapered and Round Tapered poles must be cut to fit the pole. It is the purchaser's responsibility to specify the part number of the pole upon ordering so that it can be cut correctly.

2 - When ordering a PBCCUSTOM Base Cover, you must specify both the pole part number for which the cover is being supplied and the needed color finish.
