TENON ADAPTORS

If they don't have it. We can build it!

HAVING CRAFTED QUALITY LIGHTING PRODUCTS SINCE THE EARLY 1980S,

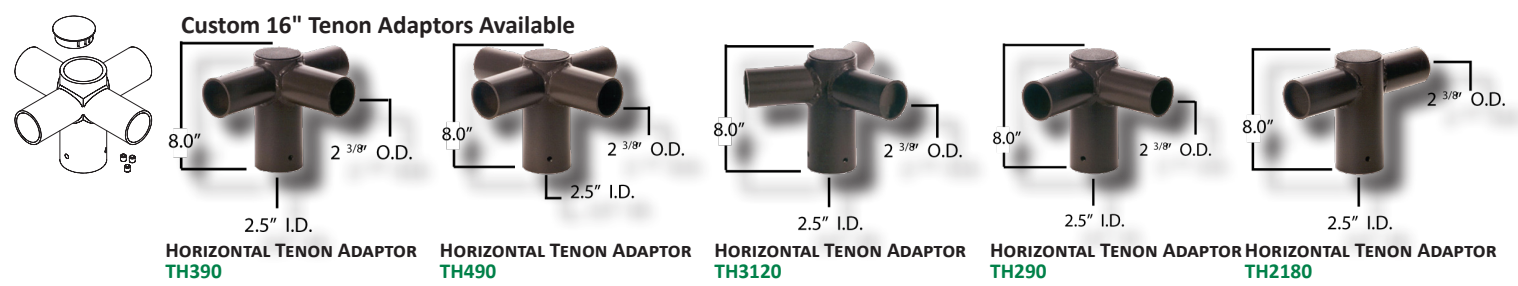

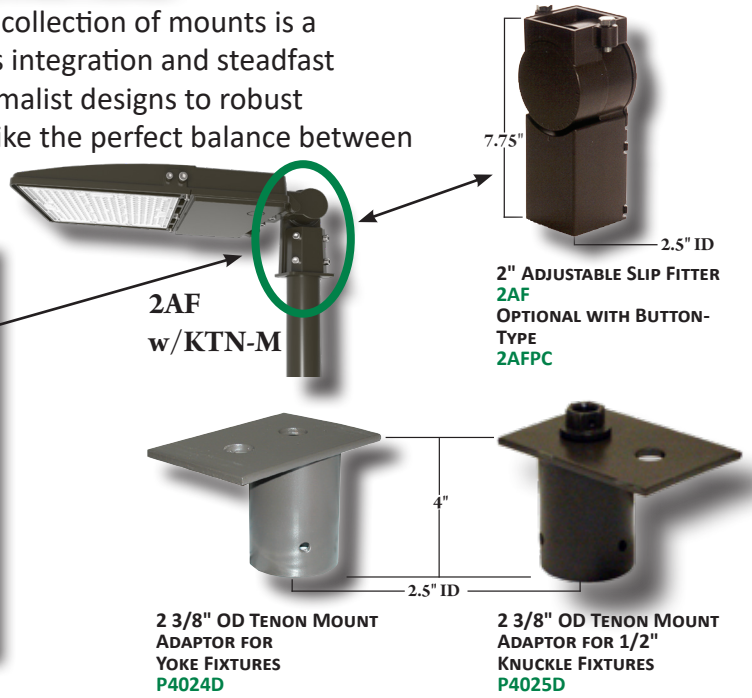

our journey has been one of constant growth and expansion. We must have gotten something right along the way, and now, we're excited to share our accumulated expertise with you!

As we propel ourselves into the next generation of quality product innovation, Techlight takes pride in integrating state-of-the-art machinery and cutting-edge technology. This strategic evolution empowers us to manufacture each component for your lighting pole project with unparalleled precision. There's no room for hesitation or deviation from your exact specifications – our commitment to excellence remains unwavering. Explore our catalog with confidence, knowing that behind every product is a legacy of craftsmanship, innovation, and a dedication to lighting solutions that stand the test of time.

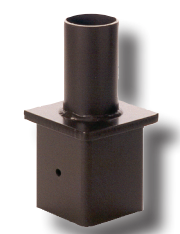

CRAFTSMANSHIP BEYOND COMPARE

At Techlight, we believe that every detail matters. Our collection of mounts is a testament to precision engineering, ensuring seamless integration and steadfast support for your lighting fixtures. From sleek and minimalist designs to robust structures for heavy-duty applications, our mounts strike the perfect balance between form and function.
