Features & Specifications

BPR SERIES
BELLY PAN RETROFIT

Application

Retrofit Kits are a great way to modify an existing fixture to save time and energy.

Features

BPR Series is a complete reflector system, including socket plates for lamp relocation to provide maximum efficiency. Great substitute for replacing an existing strip fixture. This retrofit system allows for removal and discarding of the ballast cover, relocation of lamps, optimizing light output and reducing energy consumption to comply with utility rebate requirements. Available with either a white or Miro 4 finish.

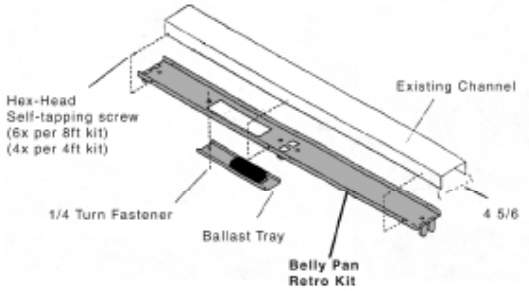
Electrical System

Reflector kit is ETL classified as a ballast cover.

Finish

All reflective surfaces are finished with a high reflectance, lighting fixture white polyester powder.

DIMENSIONS



Please contact your Horizon Sales Representative for more information.
All dimensions subject to change without notice.

Ordering Nomenclature
Ex: (Belly Pan Retrofit, 2 Lamp, 32W T8, 4', Multi-Volt = BPR232D)

SERIES		NUMBER OF LAMPS		WATTAGE		VOLTAGE		BALLAST FACTOR
