

## Horizontal Tenon Adaptors

Catalog Number	
Project	Type

### FEATURES & SPECIFICATIONS

**APPLICATION** — The TH series of tenon adaptors were designed to adapt an existing vertical 2-3/8" OD tenon to provide one or more fixtures to be mounted regardless of the shape of the pole.

**CONSTRUCTION** — The standard heavy duty tenon is constructed of aluminum with a 4" (TH2) or 5" (TH3) arm. Stainless steel hardware and 4" or 5" Sq Plastic Pole Cap provided. Available in custom lengths. All custom lengths is constructed of steel tubing. Stainless steel hardware provided.

**FINISH** — A Super Durable Polyester powder coat finish is electrostatically applied in our state of the art paint facility. Standard colors available: Black, Bronze, US Green, White. Custom colors available upon request.

**Fixture Mount Demonstration** All tenon configurations conform to the same tubing and tenon dimensions.

### ORDERING INFORMATION

Choose the bold face options for the appropriate luminaire configuration for your application and enter on the line above each fixture attribute. Accessories may be factory installed, depending on the particular accessory chosen, but still be ordered as a separate line item.
